Report Summary

Social distancing is a critical practice that is essential to help prevent COVID-19 from spreading. The best way to practice social distancing is to avoid public places and to maintain a distance of at least six feet between you and others. In addition, practice frequent handwashing and cleaning of commonly-touched surfaces. If you are sick or have symptoms such as cough, fever and shortness of breath, call your medical provider. If you would like information regarding COVID-19, you can check out the Centers for Disease Control website at WWW.CDC.GOV or IDPH at WWW.DPH.ILLIOIS.GOV. In addition, you can contact LCDPH at 217-735-2317 or log onto their website at WWW.LCDPH.ORG.

Of the 35 arrests for the month, officers arrested several for warrants, domestic battery, and driving while suspended/revoked. Detectives continued investigations on 16 cases including participating in CIEG task force operations.

The K9 unit had 6 deployments for the month of March. Out of those deployments, Officer Sullivan and ACE seized 2 items that were both drug related and made 2 arrest.

DARE was able to help support a few school functions and other donations were given out before the schools were closed.

Due to the current Shelter in Place Order, that the Governor enacted on March 13th, our two SRO officers are not able to work in the schools at the moment. They have been patrolling the streets to help their fellow officers with the influx of calls of service.
